

# PUBLIC NOTICE

## 2014 *Egeria densa* Control Program

---

The California Department of Parks and Recreation, Division of Boating and Waterways will be conducting herbicide treatments to control *Egeria densa* in certain locations of the Sacramento-San Joaquin Delta Region.

The following information is subject to change based on governmental requirements, weather conditions, plant growth, waterway traffic, and other conditions.

This notice satisfies the public notification requirements of the State Water Resources Control Board Order No 2013-0002-DWQ, National Pollution Discharge Elimination System CAG990005

### **Treatment Period**

June 2014 – September 2014

### **Treatment Areas**

In and/or around the following areas:

**Bethel Island Area** - Franks Tract

**King Island Area** - Bishop Cut and Honker Cut

**Anchorage, Boat Ramps and Marinas**

Buckley Cove (River Point Marina and Ladd's Marina), Cruiser Haven, Delta Yacht Club, Korth's Pirate's Lair, Oxbow Marina, Perry's Yacht Harbor, BW Marina and Willow Berm Marina.

**Clifton Court Area of Old River** - Italian Slough and Kings Island

**Sacramento Area** - Sacramento Marina

### **Herbicides Being Applied**

Fluridone (registered for aquatic use with US Environmental Protection Agency and the California Department of Pesticide Regulation)

### **Precautions**

The public should not gather on or near boat docks during treatment applications. In addition, the manufacturer's Material Data Safety Sheet, related to potential acute health effects, states there are no known significant effects or critical hazards.

### **Monitoring**

Treated areas will be monitored weekly to ensure herbicide levels do not exceed allowable limits, and herbicide treatments have no adverse impacts on the environment, agriculture or public health in or near the above mentioned treatment areas.

### **Contact Information**

For more information regarding the control program, please see DBW's website at [www.dbw.parks.ca.gov](http://www.dbw.parks.ca.gov) or call 888-326-2822.
